

# Number Practice

Practice writing your numbers in the empty spaces. Use a Fine Point dry erase marker. Sharpie Permanent markers can also be used; clean with a paper towel and rubbing alcohol. Practice your numbers every day, say them out loud when writing them. Soon you will know them all by heart!

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
